

# PRIMARY & HIGH SCHOOL IMMERSION TOURS

You can count on the Australian Homestay Network (AHN) to arrange safe, comfortable and welcoming homestay accommodation for your tour group. Students have the unique opportunity to live with a local family and experience Australian culture firsthand, with the added security and support of home. With a greater focus on immersion into school and family life, students on an Immersion Tour receive a more educational experience than those on a traditional study tour.

## EXPERIENCE SCHOOL LIFE IN A PRIMARY OR HIGH SCHOOL IN AUSTRALIA

- Public and private schools available
- Kindergarten, primary and high school ages
- Welcome ceremony and tour of the school campus
- Join the local school timetable based on student's English level
- Similar aged local student to follow for 'Buddy Program'
- English language classes with peers to practice English conversation and learn about local culture
- Graduation ceremony and gift exchange with buddy (catering options available)
- School sport experience (subject to school availability)
- Quality homestay accommodation and meal packages
- Transport to and from school for under 18 students
- 24/7 emergency support
- Access to school facilities such as gym, canteen and library
- Educational excursions and activities designed to complement school English class learning
- Activity arrangements to explore the local city, tailored to group requirements

## FULLY TAILORED TOUR SOLUTIONS

Our team of experts can:

- 1 Create an itinerary based on group size, duration and destination requirements
- 2 Customise a package that includes transport, activities and education experiences
- 3 Schedule classes or campus visits, and coordinate enrolment pathways to suit the academic needs of your group

AHN has local teams across Australia to provide on-the-ground support to international students and their families, schools, hosts and education agents. With 11 offices spread across Australian educational hubs we are able to fully plan and coordinate your Immersion Tour based on your requirements.
