

STUDY TOURS – S.T.E.M. – Gold Coast Innovation and Entrepreneurship Program

You can count on the Australian Homestay Network (AHN) to arrange quality study tours your clients will love. Our expert Study Tours Team is dedicated to creating unique itineraries for groups of all ages. Our flexible programs, combined with AHN's world-class homestay services and experience hosting groups from across the globe, have helped us become the study tour specialists.

AHN
Australian Homestay
Network

STEM + INNOVATION AND ENTREPRENEURSHIP (ADULTS AND STUDENTS)

SCIENCE + TECHNOLOGY + ENGINEERING + MATHS

- Problem-based learning
- Half or full day lessons with 1, 2 or 3 day workshops available
- STEM classes available in Drones in Disaster Zones, Future Cities, Environmental Monitoring
- Question and answer times with real Australian teachers
- Hands on learning and play with practical tools
- English language classes to improve English (if required)
- A range of recreational activities tailored to the groups area of study interest – Technology Museums, Universities

HOMESTAY

- Quality homestay accommodation and meal packages
- Students live with a local family and experience Australian culture firsthand
- Transport to and from school for under 18 students
- 24/7 emergency support

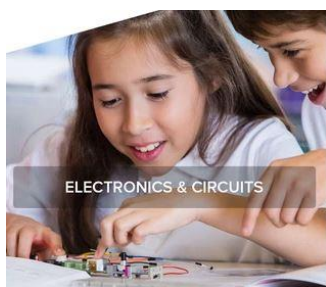

FULLY TAILORED TOUR SOLUTIONS

Our team of experts can

- 1 Customise a package that includes transport, activities and education experiences
- 2 Create an itinerary based on group size, duration and destination requirements
- 3 Schedule classes or campus visits, and coordinate enrolment pathways to suit the academic needs of your group
